### ***Purchase Agreement***

I, Karen Conti, (seller) agree that to the best of my knowledge, this puppy is in good health. He/she has been examined by my veterinarian and is current on vaccinations and worming. A health record will be provided to you. Buyer agrees to have this puppy examined by a veterinarian of their choice within 72 hours of purchase, to verify the health of the puppy and to discuss further vaccinations, heart worm prevention and spay/neuter plans. If any life threatening condition is found at this time, a written, signed statement of the findings from the veterinarian must be provided to me. If the seller's veterinarian agrees with the report, the puppy will be returned and replaced with another of equal value. If another puppy is not available, a full refund will be given. Buyer assumes full responsibility for the health exam and any costs of returning puppy to the seller. Should the buyer agree to keep the puppy despite health issues, any/all costs for the dogs care shall be assumed by the buyer. The seller assumes no responsibility for this puppy if it is not checked within the 72 hour timeline. This puppy is guaranteed for one year against any life threatening, congenital defects. Hypoglycemia is not covered by this warranty. All medical expenses including spay/neuter charges, are the sole responsibility of the buyer. This includes any additional expenses arising from these procedures, i.e. undescended testicles.

You will be provided with an application for limited registration with the AKC. This (limited) means the puppy is being sold as a companion and is not to be used for breeding purposes. Buyer agrees to have the puppy spayed/ neutered by 6 months of age, or at an age otherwise advised by your veterinarian.

If the buyer is unable to provide a proper home for the puppy during his/her lifetime, the seller will assist the buyer in finding an adoptive home.

Thank you for allowing me to assist you in finding that special puppy that will become part of your family. Always feel free to contact me if you have any questions. Updates and photos are always greatly appreciated.

Thank you,

Karen Conti
